

ABOUT KAIROS JAX

Kairos is a Greek word that means perfect time. The vision of Kairos Jax was inspired by the owner's father who was diagnosed with diabetes. The diagnosis moved her to take action and change her future, her kids' future and the future of those around her by providing access to fast, fresh, delicious, and healthy meal options. Kairos Jax offers a better way to eat and nourish your body. When she started to change the foods she ate, she realized that God provides everything we need in nature, and it is available for us to consume and enjoy.
